OFFICE OF LEGISLATIVE COUNSEL

Monday - 24 May 1971

25X1 1. [] Per her request, sent out an application form and brochures to Barbara, in Representative Garner Shriver's (R., Kan.) office, for a constituent inquiry.

25X1 2. [] At the request of Messrs. John Blandford and Frank Slatinshek, House Armed Services Committee staff, Mr. Maury and Mr. Cary met with them this afternoon to discuss the impact of Senator Clifford Case's (R., N.J.) revelations about Agency sponsorship of Radio Free Europe and Radio Liberty and his statement the other day about the use of Thai forces in Laos. See Memo for the Record.

25X1A 3. [] Security, called to say that Mr. Harold Wills, on the staff of the Clerk of the House of Representatives, had been in touch with [] Security, and made arrangements to come to the Agency on 22, 23, and 24 June and again on the 28th rather than the dates we had previously worked out with them.

25X1 4. [] J. Sourwine, Chief Counsel, Senate Internal Security Subcommittee, called to say he had the transcript of the [] and said we could review it if we wished. STATOTHR I will pick it up from Sourwine at the earliest opportunity.

25X1 5. [] Mr. Everett Bierman, House Foreign Affairs Committee staff, called for some guidance in handling an inquiry which Representative Mailliard had received from Paul Bartlett on Radio Free Europe and Radio Liberty. I reviewed the situation with Bierman and suggested that the Committee could give Bartlett an opportunity to speak on the legislation when it comes before the Committee for consideration as it presumably will.

25X1 6. [] I advised Bill Woodruff, Counsel, Senate Appropriations Committee, that Monday, 7 June, would be the most desirable date for the Director to make a budget presentation to the Intelligence Subcommittee.

25X1 7. [] Briefed Frank Slatinshek, Assistant Chief Counsel, House Armed Services Committee, on latest information regarding Soviet ICBM silos. Slatinshek said it was not necessary for us to brief Chairman Hebert at this time, but he would mention it to the Chairman at the first opportunity.

25X1 8. [] Talked to Thad Murray, in the office of Senator William Spong, who confirmed the Senator's reluctance to put in the Congressional Record a letter from the Bureau of Narcotics and Dangerous Drugs praising the Agency's cooperation with the Bureau's efforts to deal with the drug problem in Southeast Asia. 25X1A

25X1 13. [] Attended a meeting of the Employee Benefits Subcommittee of the House Post Office and Civil Service Committee at which Representative Nick Galifianakis (D., N.C.), Robert E. Hampton, Chairman of the Civil Service Commission, and Mr. Carl W. (See Memo for Record for details.) 25X1A

25X1 14. [] Received a call from Mr. Richard Moose, Senate Foreign Relations Committee staff, who requested, if possible, a map of Laos outlining the North Vietnam controlled areas for use by the staff in briefing of the Foreign Relations Committee on Friday. Mr. Moose told me that two charts, one a viewgraph, were furnished by our people in Vientiane [] but are outdated by the events of the past two weeks. He offered to loan them to me if I cared to come by and pick them up. I met later with Jim Lowenstein, of the Committee staff, who gave me the two page-size charts and asked if we would also sketch in, by dotted line, the 1 July 1970 line of North Vietnamese control on the larger map for Friday's briefing. He told me that this was the date of the last Committee briefing on the point. I thanked him for the charts and told him I would return them and relay the request. [] DDI, has been advised. 25X1A

25X1 15. [] Met with William Cook, Counsel, House Armed Services Committee, who told me that he will be presenting the Fisher Subcommittee report on H. R. 6438, a bill to provide for increase in the number of 4-star generals for the Marine Corps. He told me that he has no way of knowing tonight what questions might be presented tomorrow by members of the full Committee. I reviewed with him the legislative background on the position of the Director and Deputy Director of Central Intelligence starting with the National Security Act of 1947 to refresh his memory in the event of questions about the DDCI's position during the hearing tomorrow. [] has been advised. 25X1A

25X1 16. [] Met with Senator Strom Thurmond and his Administrative Assistant Daniel Carrison, regarding a personnel matter in which the Senator is interested. See Memo for Record. OFFICE OF LEGISLATIVE COUNSEL

Thursday - 13 May 1971

25X1 1. [] By way of followup to my conversations yesterday with J. Sourwine, Senate Internal Security Subcommittee staff, I told him today that I had checked with knowledgeable people here who felt that Paul Scott's column for publication tomorrow was largely a "cut and paste" job taken from the 10 May Time article and other news stories reporting on the situation in Mexico. The only exceptions to this were the paragraphs about U.S. citizens reentering this country through Mexico and reference to an Agency estimate on the subject generally. I said I was unable to locate anyone with any knowledge on either of these two subjects, although it was possible that some other branch of the Government had information about the reentry through Mexico.

25X1 2. [] Met with Mr. Frank Slatinshek, Assistant Chief Counsel, House Armed Services Committee, and returned the Committee documents to him which had been given to me for check by TSD. I told Mr. Slatinshek our check indicated that the documents had been disassembled and reassembled but that no evidence of reprographic copy was found. He thanked me for the Agency's assistance.

25X1 3. [] Met with Mr. Ralph Preston, House Appropriations Committee staff, who told me that he does not foresee Committee hearing on the Agency budget during the next few weeks. The Committee schedule is overcommitted at this time with hearings the first of next week on European troop bases.

25X1 4. [] Met with Representative Lawrence Hogan (R., Md.) and discussed the invasion of privacy of Federal employees legislation now pending before the Employee Benefits Subcommittee of the House Post Office and Civil Service Committee. Representative Hogan told me that his studies so far indicate to him a probable need for complete exemption for the Agency, NSA, and the Bureau. He noted that he visited NSA yesterday with Chairman Hanley and was impressed by their operations. He is looking forward to visiting the Agency but is running a very tight schedule these weeks. He suggested that a visit by the Subcommittee not be delayed to accommodate his personal schedule but that if he was not able to attend with the Subcommittee, he would very much like to come and break bread with us at such time as it can be arranged. He noted that in particular he would like a careful review of use of the polygraph and our procedures which he feels is necessary to rebut statements made by Senator Ervin. Arrangements for Representative Hogan's visit to the Agency will be coordinated through Mr. Richard Barton, Committee staff, and Marie Chaillet, personal secretary.

25X1 []

25X1 6. [] Met with Mr. Richard Barton, Employee Benefits Subcommittee staff of the House Post Office and Civil Service Committee, who told me that the first day of hearings had gone very well. The testimony was received from Representatives Charles Wilson (D., Calif.), Spark Matsunaga (D., Hawaii), and Senator Ervin (D., N.Car.). Both Representative Wilson and Senator Ervin were questioned somewhat extensively by Representatives Hogan (R., Md.) and Brasco (D., N.Y.) concerning exemption of agencies involved in national security matters from coverage under the bill. Mr. Barton told me that as far as the Committee schedule is concerned, the members of the Subcommittee have hearings starting at 9:30 a.m. each morning during the next couple of weeks with the exception of Monday, 17 May, and Friday, 21 May. We agreed that I would check to see which would be the best dates from the Agency's point of view and be back in touch with him tomorrow.
